DEER FALLS TO DEADLY AIM OF OLE ELLIOTT

GOLDFIELD PARTY RETURNS FROM HUNT ALONG REESE RIVER

Charles Wilkerson, Ole Elliott, Milton M. Detch, J. G. Thompson, George Thompson, Sam Lockhart, Jack McGowan, A. H. Dutton and J. Crosby, the Goldfield hunters, passed through this city yesterday in their three automobiles, homeward bound, after enjoying ten days of hunting in the Reese river district. They had intended to stay two weeks, but owing to Ole Elliott shooting a deer it was thought best to hurry back with the carcass in order to prove that they had been successful in the hunt. The deer was proudly shown to the many Tonopah friends and of course all were promised some choice venison steaks. The members of the party report having an excellent time and say there is plenty of game in the Reese river country.

EQUALIZATION BOARD REMAINS IN SESSION

WILL START CONSIDERING TONOPAH ASSESSMENT ROLL ON FRIDAY

The board of county commissioners is still holding busy session while acting as a board of equalization. It has dispensed with the tax rolls of Beatty, Pioneer, Round Mountain, Manhattan and the other outside camps, and is now working on Rhyolite. This roll should be completed today and the Tonopah district taken up at Friday's session. The task is a tedious one and requires no small amount of patience on the part of the commissioners. They expect to finish the work by the end of the week.

SEVERAL CASES ARE REPORTED TRUANT OFFICER

PARENTS WHO DO NOT SEND CHILDREN TO SCHOOL WILL BE PROSECUTED

Reports have been made to the truant officer of the Tonopah schools that there are several families in this city who are not sending their children to school. The cases will be investigated, and if the fault lies with the parents, they will be dealt with according to the law. The state statutes say that all children must attend the schools unless their support depends on their labors, or on account of sickness. The reports made to the truant officer show that the cases are due to the parents, who either don't know or don't care whether their children receive an education.

HEROINE MAGGIE LOVES WHISKEY

PENSIONER SPENDS HER MONEY FOR BOOZE INSTEAD OF GRUB

Maggie can't stand prosperity. Lest we forget, let it be stated that Maggie is the widow of the late lamented Indian, Panamint Joe, who died a few weeks ago while endeavoring to pilot a party of white men and women across the terrible death trap of the desert, known as Death Valley. Maggie is the copper colored heroine who won fame and renown on that fateful trip by carrying water from Emigrant springs to keep alive the heat and travel exhausted white women of the party, after Joe's spirit had taken flight to the happy hunting grounds, while the half dead white men struggled on to Skidoo to secure help for the perishing. This act aroused the admiration of millionaire Bob Montgomery, the wizard of Skidoo, who generously volunteered to give her a pension of \$25 a month. The pension was too much for Maggie.

Wednesday afternoon Indian Tom Stewart came into the Herald office and asked the reporter to write a letter for him. Following is the dictation:

"Maggie drunk. Maggie get money from Bob Montgomery. Buy whiskey. No buy grub. Drunk all time. Last money Maggie drink all up two days. Had bad fight. Got eye blacked. Fight big Indian most

blind. Bob Montgomery good man. He ought know. He no want Maggie drunk. He no buy whiskey. He send money buy grub. Maggie no buy grub; buy whiskey. No right. Tell Bob no send money. Keep money. Send grub."

Tom further stated that he had to get grub for the indiscreet heroine after she had spent her pension for booze, a proceeding which he does not enjoy.—Rhyolite Herald.

IS SOLICITING JOB WORK FOR CARSON FIRM

REPRESENTATIVE OF NEVADA PRESS COMPANY IS LOOKING FOR ORDERS

Z. V. Stalnacker, who represents the Nevada Press company of Carson, is in Tonopah soliciting job work for his firm. Here is a great chance for the merchants and business men who send away for their supplies to secure some cheap job work, cheap. There are some people in Tonopah who do not patronize home industry, and it is presumed the representative of the Carson firm will call on them. Carson does a great deal toward upbuilding this city, so Carson is entitled to secure some of the trade.

But in the meantime remember that the Bonanza bindery is still turning out books that can't be beat when it comes to workmanship. We do our work right here in Tonopah and every dollar paid to the employees of this shop is spent with the Tonopah business houses, not in Carson.

FINE MUSIC SECURED FOR THE DANCE TONIGHT

EAGLE DRUM CORPS HAVE SECURED A NEW ORCHESTRA FOR THE OCCASION

One of the best orchestras in the state will be in attendance this evening at the Eagles' drum corps dance at the Miners' Exchange hall. The orchestra will be composed of Messrs. Voss and Tatro, William Dickson and A. W. Carl. The boys have secured their prospectors' suits which they will wear to Goldfield and to the Portola fair at San Francisco, but the final payment has not been made. The proceeds of the dance will be used in making this payment.

YOUNG RENO GIRL CLAIMED BY DEATH

Miss Mildred Brown, daughter of Professor Richard and Mrs. Brown, of the state university at Reno, passed away in that city Tuesday as a result of an operation for appendicitis. The young lady had only been ill for a short time and her death came as a shock to her many friends. President Stubbs of the university closed that institution and no classes will be heard until after the funeral. The young lady had many friends in this southern country who will be grieved to hear of her death.

Charles Brulin, of Carson, was arrested by Game Warden Faleke near Genoa last Wednesday for hunting without a license. He was arraigned in the justice court and upon pleading guilty was fined \$22.

The Commonwealth says that a site has been selected in Carlin for a steel tank that will hold 35,000 barrels of fuel oil and that work on the tank will begin at once.

EXPRESSES THANKS TO THE POLICE OFFICERS

I desire to express my thanks and appreciation to Chief of Police Ed Malley, his officers and Judge H. H. Atkinson, for their efficient work in recovering the valuables stolen from my cabin several weeks ago. The articles stolen were of a great value to me, more on account of their memories than of their intrinsic worth, and their restoration is appreciated.

STANTON'S HOME MAY GO UNDER COURT SALE

When Major W. A. Stanton wanted a substantial loan, nearly three years ago, he borrowed money from the John S. Cook bank. Yesterday the administratrix of the estate, S. B. Phtis, was made defendant in a suit filed in the district court by the banking corporation which asks a total of \$4,502.41, said to be due on a note given the bank by Stanton on November 20, 1906, for \$7500. As security, he pledged 1900 shares of Combination Fraction stock and his home on Myers. The bank asks the court to order a sale of the stock and of the real estate.
